**Re: 2-A726-NS  
First Round Channel Election Conflict Resolution  
FCC File No. BFRCT-20050810AAW  
KXMC-TV, Minot, North Dakota (FIN-55685)  
MB Docket No. 03-15**

---

Dear Ms. Dortch:

On August 10, 2005, Reiten Television, Inc. ("Reiten"), licensee of KXMC-TV, Minot, North Dakota, electronically submitted an FCC Form 383 First Round Conflict Decision (FCC File No. BFRCT-20050810AAW) by which it resolved the 0.3% interference predicted to occur to elected NTSC Channel 12, KXMB-TV, Bismarck, North Dakota. In light of the fact that KXMB-TV is a satellite station of KXMC-TV and that Reiten is the owner and licensee of both stations, Reiten has agreed to accept the slight predicted interference of 0.3% between the stations. As Reiten is the owner and licensee of both stations, there is no formal interference acceptance agreement and no-objection letter in this situation. The submission of the above-referenced Form 383 and the acceptance of the predicted interference resolves the issues raised by the Commission's Conflict Letter, and KXMC-TV's election of Channel 13 can be approved consistent with the Commission's Rules.
